NEW BUSINESS

Discussion Regarding the Use of SLPAs

The Committee continued reviewing the draft document prepared by Ms. Courtright in which she attempted to combine the best practices from DSHA and the Maryland and Pennsylvania licensing boards. In addition, the Committee reviewed some documents Ms. Courtright provided which listed North Carolina's requirements for SLPA licensure. The Committee agreed that North Carolina seems to have many of the best practices between the three states they have reviewed. Ms. Courtright advised that she will attempt to combine the best practices from North Carolina into the draft that she had already created. This discussion will continue at the May committee meeting.
